

SUMMER OF 1998

A FRESH LOOK AT WORSHIP

July 8, 1998

William Temple:

To worship is to quicken the conscience of the holiness of God, to find the mind with the truth of God, to open the heart to the love of God, to devote the will to the purpose of God. All this is gathered up in that emotion which most cleanses us from selfishness, because it is the most selfless of all emotion - Adoration.
