

# DEALING WITH DOUBT

**Habakkuk — Job — Psalms 73 — Mark 9:24**

Often, people express their doubts about God and the Christian Faith.

They say:        I have trouble believing.  
                      I do not understand.  
                      Why?  
                      Why is this?

Sometimes the doubts are confessional — a heavy burden — or a boast.

In the story described in Mark 9, two things needed to happen.

A sick boy needed to be healed, and  
A doubting father needed to be helped.
