

How Do I Handle Disappointment?

John 4

*We All Suffer Disappointments.
Disappointments Are
Hopes Crushed,
Dreams Unrealized,
Plans Delayed.*

“*Appointment*” means that something is fixed, or set.

- I have an appointment at six o’clock to eat with my family.
- If I keep the appointment then I am at the right place at the right time.

← But, if something happens and I do not meet them, then the word “**disappointment**” is used: I was *disappointed* you did not make it.

“**Dis**” means the reverse, or the opposite.
